At the same time, it's a way to treat yourself, your employees & friends to an evening filled with fun. You will be served a fabulous medley of Greek Cuisine and have the opportunity to bid on hundreds of silent auction and live auction items that include vacation packages, tickets to sporting events, golf vacations and much, much more.

With a theme of *“Myths & Legends ~ An Evening in Ancient Greece,”* the event promises to be an extravagantly-fun evening! Come as you are or dress in your favorite *Ancient Greek Attire*. (Could be Toga, or perhaps be inspired by mythological Greek Gods & Goddesses). Prizes will be awarded for best costumes.

Donations from merchants are being requested for the silent and live auction. No donation is too small or too large. The Chamber of would like to thank the organizations who have already donated.
